ATTENTION LIFT DISTRIBUTORS

Are you tired?

- ✓ Tired of being just 1 of 8 Challenger/Rotary/Bendpack resellers in your area?
- ✓ Tired of losing sales to Rotary/Challenger/Bendpack internet resellers at \$3,400/\$2,399/\$2,598 for a 10,000lb Two-Post?
- ✓ Tired of Rotary selling direct at 39% off of list on a factory direct basis?
- ✓ Tired of Challenger selling direct at 35% (with \$0 commissions to you)?
- ✓ Tired of quality control issues from Chinese made lifts (or lifts made with mostly Chinese components)?

If you are tired, and you want to learn how to start making money selling lifts you can be proud to sell... Call 800-833-2006 or email Steve Perlstein (ext 24) sperlstein@mohawklifts.com.
